Markets

NEXT MONTH: ISDA'S AGM IS IN MADRID: MAY 10-12!

The banner features a blue background with intricate mechanical gear patterns. The text 'ISDA 36TH AGM MADRID' is prominently displayed in white and yellow. Below it, the dates 'May 10 - 12, 2022' and the location 'Hotel Riu Plaza España' are listed. A yellow circular callout on the right side contains the text 'Sponsorship opportunities available!'. At the bottom, a white bar contains the text 'The premier event for derivatives professionals globally'.

The countdown is on! Just 5 weeks left until the global derivatives industry reconnects over an impactful 3 days at ISDA's Annual General Meeting (AGM) in Madrid, May 10-12. Register here: <https://agm.isda.org/>.

NEW & NOTABLE

[Russian Sanctions and Market Impacts InfoHub](#)

This page will be updated on a regular basis as relevant information becomes available globally and will serve as the central depository for information from ISDA relating to the impact of Russian sanctions on derivatives markets. If you have any questions or would like additional information in relation to these matters, please email ISDALegal@isda.org.

[Digital Regulatory Reporting: Market and Regulatory Initiatives](#)

This paper explains what Digital Regulatory Reporting (DRR) is, reviews its potential benefits and describes the various initiatives that are under way. In particular, the paper highlights the work of ISDA and market participants to enable all firms to implement regulatory reporting rules consistently using the open-source Common Domain Model.

THE SWAP

Episode 19: Growing China's Derivatives Market

China's derivatives market is fairly small relative to the size of its economy, but forthcoming legal and market developments could help to further grow the country's capital markets. Chong Liew from Linklaters and LSEG's Jenny Cosco give their perspective.
